

HAND Re-EVALUATION

Opening Bidder and Responder should count HIGH CARD POINTS ONLY to begin and respond the bidding:

A=4 K=3 Q=2 and J=1

DISTRIBUTION POINTS:

When you and your partner agree on a suit for trump, such as Hearts or Spades, then the ***Declarer*** should re-evaluate his hand and now counts length in the long suit(s):

Five card suit = 1 point
Six card suit = 2 points
Seven card suit = 3 points, etc.

DUMMY POINTS:

When you and your partner agree on a suit for trump, such as Hearts or Spades, then the ***Dummy*** should re-evaluate his hand and now counts suits that have shortness:

Doubleton = 1 extra point
Singleton = 3 extra points
Void = 5 extra points
